

Limited Warranty

Artemide, Inc. warrants its products to be free from defects in materials and workmanship for a period of one year from date of delivery. During this warranty period, Artemide will repair, or replace, at its option, free of charge, products that are proven to be defective. This warranty does not apply to damages resulting from accident, alteration, tampering, misuse, negligence or abuse. This warranty does not apply to light bulbs and ballasts which are not products manufactured by Artemide and supplied by Artemide only as a service to the customer. Outdoor and/or damp location luminaires are not warranted for sauna, steam room, etc. usage. Ballasts are covered by separate ballast manufacturer's warranties. Artemide hereby expressly reserves the right to limit or exclude consequential damages under the terms of this warranty (some states do not allow the exclusion of consequential damages so this might not apply to you). No charge-back, charge for labor or materials is allowed that does not have Artemide's prior written approval.
